Conditions, limitations, and procedures are changing day-to-day, but we are attempting to put forth a camp that resembles the ones that we have offered in the past. It will still be the same awesome camps we have become known for, but with some changes for the safety of our kids, our staff, and the families the campers go home to.

What WE are doing:

- ✓ Balancing clean FUN with SAFETY procedures
- ✓ Limiting enrollment capacity, and increasing re-trained staff members versed with the new standards
- ✓ Daily health checks of our employees, and requiring them to wear masks and gloves where appropriate
- ✓ Dividing campers into smaller units and rotating through the various activities as a group
- ✓ Spreading the activities throughout the 20,000 sq. foot Cal Skate building as well as outdoors,
- ✓ Reinforcing the social distancing protocols – interpersonal contact will be avoided whenever possible
- ✓ Making camper and employee hand washing and personal hygiene a consistent priority and activity throughout the day

2023 FunLand Summer Camp

Camp weeks:

June 12th – June 16th

June 26th – June 30th

July 10th – July 14th

July 24th – July 28th

August 7th – August 11th

What we need our CAMPERS and their PARENTS to do:

- ✓ Understand that by enrolling in our Summer Camps, you agree to acknowledge that no matter what we do, or have the campers do, there will always be a risk that your child could be subject to contracting the Coronavirus or any other transmittable disease. You are potentially exposing your camper to these risks, however small those risks might be.
- ✓ Register your camper, but understand dates and activities could be adjusted and are subject to change
- ✓ **DO NOT** attend if you are feeling ill and showing symptoms of COVID-19 (fever, coughing, trouble breathing, aches)
- ✓ Let our staff check each camper daily for a fever of over 100 degrees
- ✓ Teach your children how & when to properly wash their hands and to limit contact with their mouths and face (we will also be actively teaching this)
- ✓ Keep their hands and belongings to themselves
- ✓ Listen and closely follow our leader's instructions at all times
- ✓ Understand that campers who can not follow our rules and guidelines will not be able to continue attending the camps for the safety of everyone
